A Dream Changes The life

A Dream Changes The life

It is a sensation that miraculously brings people who dream to life.

Defence is today's generation's only aspiration

The only thought that came to mind was that this has resulted in thousands of students being offered jobs in the defence sector. Defence is not impossible; rather, it is doable. Since the establishment of the Defence Academy in Vijayawada in 2006, I have been training with unwavering dedication for the past 15 years, and I have trained thousands of students to become government employees.

My Telangana is my dream

During the Telangana movement, I established the first academy in Karimnagar with the intention of recruiting Telangana students for the three forces. The accomplishment of 187 government jobs in the first three years of operation is the culmination of our training. My life goal was to serve my country, but due to unforeseen circumstances, I was unable to do so; however, my students excelled in national service. I was a key figure in the formation of the various academies that arose as a result of the aftermath.

Dream Defence Academy has currently secured over 1400 government jobs. DDA's team is eager to train you! Visit "Dream Defence Academy" and feel free to pursue a good education. The country is ours, and we must all work together to protect it.

My goal and dream is to serve my country, which is why I founded the "DREAM DEFENCE ACADEMY."

I'm hoping you'll join me in national service.
Jaihind

DDA takes pride in being the name that beckons the state's deserving sections of the community.

DDA is the Dream Defence Academy, as the name suggests, and it fulfils the "Dreams of any individual." DDA is located in the Karimnagar district and provides a wide range of services to help many people achieve their goals. DDA is a well-organized academy, and it is the right path for someone looking for challenges in their life. This academy guides people from all walks of life and prepares them for a challenging career.

Dream Defence Academy focuses on providing training, demonstrations, and practical orientation classes to students, educating them on defence activities and preparing them to be committed, honest, dedicated, hardworking, and team players. Most people never achieve their goals because they never define them or seriously consider them to be achievable. The DDA winners say they were clear about their final destination and goals. The DDA team is fortunate to have such skilled and trained faculty and coaches who are capable of preparing students for EAMCET, IIT-JEE Mains and Advance, BITSAT, NDA/NA, EAMCET, CLAT, CA-CPT and other competitive exams.

We offer defence training and coaching to students in the 10th, Inter, and Degree levels. As a result, every student is proud to be a member of the DDA (Dream Defence Academy).

మా నాన్న వ్యవసాయం చేస్తూ నన్ను చదివించారు. నేను ఇంటర్ చదివిన తరువాత ఇంజనీరింగ్ చేద్దామనుకుంటే అది చాలా ఖర్చుతో కూడినదని మా మిత్రులు చెప్పారు. దాంతో అతి తక్కువ సమయంలో ఉద్యోగం ఎలా చేయాలా అనే ఆలోచనలో పడ్డాను. అప్పుడు నాకు డిడిఎ గూర్చి తెలిసి అక్కడ జాయిన్ అయ్యాను. అక్కడ ఎన్ఎితర్ సార్ డిఫెన్స్ నల్స్ గూర్చి పూర్తి అవగాహన కల్గించారు. వారి అధ్యాపక బృందం ఇచ్చిన ఇంటెన్సివ్ కోచింగ్, ఎన్ఎితర్ సార్ ఇచ్చిన మోటివేషన్ టెక్నిక్స్ నేను ఇండియన్ నేవీలో జాబ్ పొందేలా చేశాయి. ఇందుకు నేను డిడిఎ కు ఋణపడి ఉంటాను.
